# ANNA WILSON

## Software Engineer

annammwilson@gmail.com | Seattle

---

## EXPERIENCE

**Software Engineer**: Indeed.com, 3/2017 to Present

- Building, maintaining and improving a Java/Spring application that enables internal teams to quickly spin-up email campaigns.

**Software Development Engineer Intern**: GoDaddy, 9/2016 to 2/2017

- Contributed to the "GoDaddy Go" mobile and web application utilizing React/React Native and Redux.
- Completed bug fixes to improve cross-platform mobile experience, refactored code to meet changing design specifications and participated in agile-scrum ceremonies.

**Program Manager**: Bellevue College, 3/2014 to 2/2016

- Provided direct services to 100+ students in the Autism Spectrum Navigators program including: academic advising, mentoring, advocacy and interpreting complex policies and procedures.
- Managed up to 17 lower-level staff members including peer mentors and program assistants. Prepared and facilitated weekly and annual trainings.

---

## EDUCATION

**Software Development Certificate**: Ada Developers Academy, 2/2016 to 2/2017

- Selective (<10% acceptance) software development training program for women transitioning into technology.
- Seven months of full time, in-person classroom instruction focusing on Ruby/Rails, JavaScript, HTML/CSS, data structures and algorithms.

**Bachelor of Social Work with Departmental Honors**: Seattle University, 2013

- Thesis: "Seniors and Computers: Effects of Computer Access and Usage on Low-Income Seniors in Independent Living"

---
